Dear Allen
Hi! Boy - the girls
are really going to be
disappointed now that your
through. But tell them not to be too
disappointed. There's lots of other girls
they can pick up. Whatever you do, get some
kind of trade and stick to it. - and when you start
thinking of a girl permanently, get
a good Christian girl. She'll
give you enough headaches

FOREWORD

Have you ever thought that Denfeld could have a gold rush? It's not impossible, and with 1949 as the year, we'd like to show you how it can be done.

Our prospector, whom you met on the preceding page, graciously consented to come back from 1849 to join us in 1949. Although he has brought his pick and shovel along, he's a little doubtful that he'll be able to use them. But if you'll help, I'm sure we can convince him that Denfeld has "gold."

With our faculty using the divining rod to help us locate our own gold, we 49'ers have been extremely lucky in "striking it rich." Maybe it has taken a lot of panning out in some instances to discover the hidden "talents," but through patience and perseverance our gold has been made pure.

The 1849 prospectors were satisfied in searching alone, but we as the present prospectors would have had a difficult time without our many fellow workers.

Each small vein of gold has led us closer to the main one. Through clubs and organizations the urge to keep digging has been instilled in us. Our prospecting has not been in vain, for by it others have seen our bright metal.

Another vein that gave Denfeld much ore, and of the very brightest ever found, was our athletics. The 49'er really had to dig for his gold, but the nuggets received were well worth the physical effort.

Most prospectors have to pretend some time or they'd give up before striking their goal. We 49'ers are no exception. With dramatics we, too, have pretended. This has helped to make our search more profitable while still enjoyable.

Our little prospector can't believe we can have fun and still work. If the old 49'ers had had more good times, their work wouldn't have been so tiresome.

Well, little prospector, don't you agree that Denfeld has a rich gold mine within herself? Maybe our gold isn't the tangible metal, but it is the kind that will make those who search "strike it rich" in qualities that last through future years.

"Proudly may we ever hail thee."

Our school's queenly grace.

In memoriam

Mr. Edwin Fray

As leaves fall in the autumn, and blossoms fade each day,
A time there comes in all our lives when God calls us away.
Yes, many hearts are broken and many tears are shed
By friends and all the loved ones with whom our lives were led.
For all it is a blessing, yet for all 'tis sorrow too
When life's last words are spoken in turn for life anew.
So in our hearts we carry a memory of someone dear
Who put his heart in Denfeld and stayed for many a year.
As leaves fall in the autumn and blossoms fade each day,
So in our hearts will always live a memory of Mr. Fray.

Mary Jane Linski.

Administration

There's none finer than our top forty-niner

MR. G. DELL DAEDO

During his first year as principal of Denfeld, Mr. G. Dell Daedo, former boys' counselor and history teacher, has become a friend of all the pupils and faculty members. Among his many duties, he has always found time to visit various classes and really get to know the students, for that is where his real interest lies. With Mr. Daedo's high ideals and willingness to work, Denfeld has continued as an outstanding school. We hope he has enjoyed his first year with us as much as we have enjoyed his guidance.

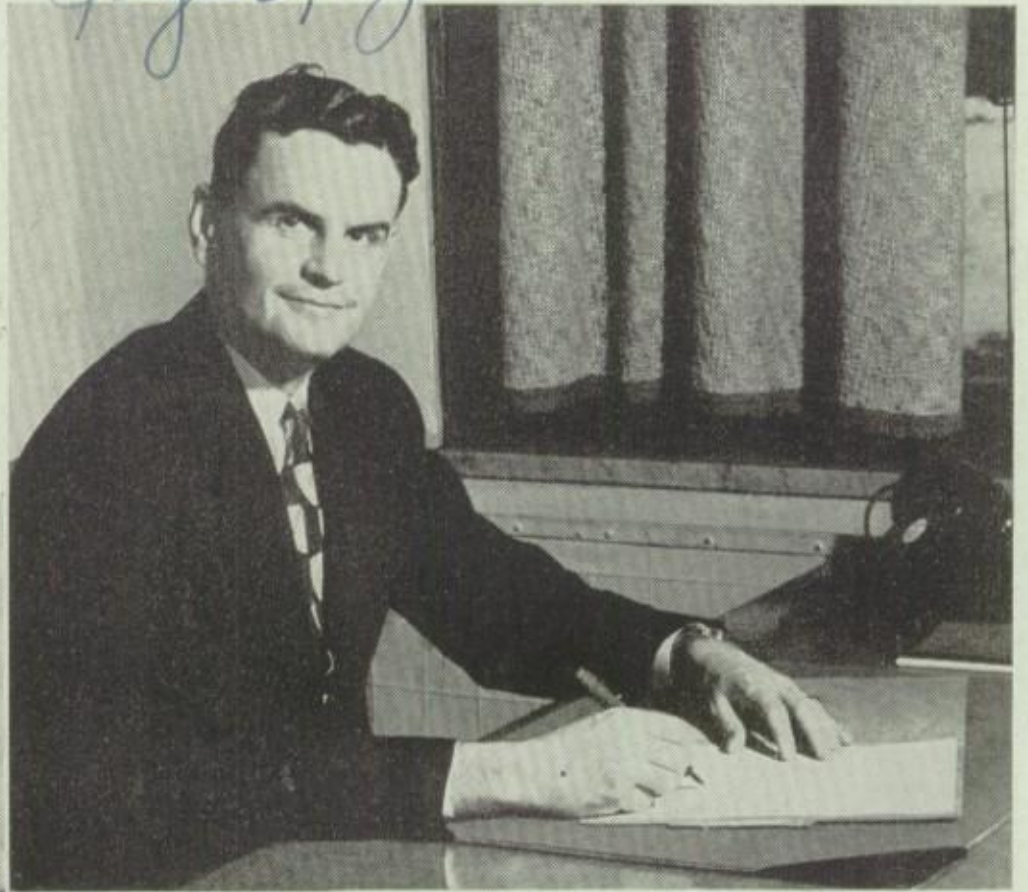

MR. ODE, MR. DAEDO, and MISS GRUETZMACHER
Opening the school year with a pledge of co-operation.

As a guiding light

Sigurd J. Ode

"Tardy? Do you need a part-time job? Have you other problems?" Coping with such questions as these constitutes the duties of Miss Ethelyn Gruetzmacher, girls' counselor and chairman of the school social calendar. Ironing out the difficulties of school life isn't her only job, however, for besides her faculty position, she takes an active role in community life as president of the P. T. A. All Denfeld students will remember Miss Gruetzmacher as a real friend who has always had their welfare at heart.

MR. SIGURD ODE

English teacher, debate coach, track coach, boys' counselor, and assistant principal describes the variety of positions Mr. Sigurd Ode has held since he came to Denfeld in the fall of 1947. This versatile Denfeld booster will long be remembered for his unique pep talks before many a crucial contest, his co-operative spirit, and his helpful advice for all students. One of Mr. Ode's greatest abilities, to make friends easily, has won for him the right to be called a friend to all.

Classes

Success we obtained as seniors we reigned

SENIOR CLASS OFFICERS

Don Elias (president), Lois Johnson (secretary), Ed Cieberta (vice president), George Grau (treasurer).

Senior class

We, as graduating seniors, will long remember our last year at Denfeld. With the help of our advisers, Miss Abby Gregory and Miss Dorothy Johnson, and our hard-working officers, we have contributed our bit to Denfeld and have received in turn many good things to carry into the future.

Early in the year the class sponsored two dances, "The December Date" and "The Senior

Swing." Later, on May 20, Kid Day was traditionally celebrated by a last bit of childish frolic. The crowning climax of our senior life included the Senior Banquet, the Junior-Senior Prom, and finally graduation. A tear glistened in many an eye as we marched from the auditorium with diplomas in hand.

We shall never forget our year—forty-nine.

They make advances with finances

Row 1: Margaret Cameron, Marlene Hammer. Row 2: Elizabeth Ann Anderson, Donna Dahlin. Row 3: Florence Peterson, Gail Wimmer. Row 4: Delores Johnson, Kathleen Larson.

DUES COLLECTORS

"Do you have your dues today?" That is a phrase the dues collectors use many times during the course of the year. Besides collecting dues, they were also responsible for other financial matters. These included collecting for the Christmas cards and the caps and gowns.

MONEY-MAKING COMMITTEE

The main objective of this committee was to raise money to defray the cost of the senior banquet so that more students could attend. To accomplish this, the group, under the leadership of Miss Dorothy Johnson, sponsored two dances, "December Date" and "Senior Swing."

Seated: Joann Johnson, Lois Johnson, Florence Peterson, Joyce Anderson, Joan Floten, Pat Gray, Marlene Narvane, Lorraine Paoletti, Connie Olson. Standing: Glenn Johnson, Bill Eckland, Jim Jernberg, Clarence Carlson, Don Elias, Ed Ciebiera, Bob Hill, George Grav.

Good luck and have in the future as a good guard as

A Parting line from forty-nine

The doors are now op'ning

The time for departing
Is drawing nigh,
Soon we'll be leaving you
Dear Denfeld High:
Forever we'll cherish
Our mem'ries here;
Your sons have made you famous
For many a year.

The doors are now op'ning
Ere we go, we'll add this line,
Good Luck to you, Dear Denfeld,
From the Class of Forty-nine.

Junior class

Haven't the last two years flown by? Yes, it's actually true—we juniors will be "high and mighty" seniors next fall!

The class play, "The Imaginary Invalid," given on November 12, received an atomic reception even though it had been postponed because of illness.

The prom, held at Hotel Duluth on May 13, was enjoyed by everyone who attended.

With many thanks to our helpful sponsors, Mrs. Genevieve Eby and Mr. Waldemar Johnson, we look back on our junior year with satisfaction and forward to our senior year with anticipation.

Sophomore class

We sophomores feel lucky to say we belong to Denfeld. This year was an enjoyable and educational one. Last September we became acquainted with Denfeld at the Orientation Tea. Starting off in high spirits with the election of capable officers, our class has been a success.

"Meet me in St. Louis," our class play, was the big project of the year.

Highlighting the social calendar was the class party held May 13. We owe the fun of our sophomore year to the work and understanding of the faculty and our upperclassmates. This year has made us look forward with great expectation to our junior and senior years.

Pyramid

Through the Pyramid, representative body of all the homerooms, student opinion is expressed.

On December 14, we held our traditional Tag Day to help the needy and unfortunate families with Christmas baskets. Under the direction of Miss Louise Hall, we sent CARE packages to Holland and co-operated with the Community Fund and the March of Dimes.

This year the State Student Council Convention at St. Paul was organized. As well as being represented there, the club also sent delegates to the Student Council Convention held at Grand Forks, North Dakota. The information gained at these meetings will help us to plan a substantial program for the convention to which Denfeld will be host next fall.

Boys' union

To promote interest in school for the boys is the purpose of the Boys' Union. Every boy is considered a member and may partake in the activity of his own choice.

The Annual Competitive Vodvil, begun back in 1933, was the boys' money-making project. Proceeds from the Vodvil went to pay for various activities, the main one being the Stag.

Not to be outdone by the girls, the boys presented a style show in the spring. Another project undertaken by the Union as well as the Girls' Club was a couples dance held in April.

With the splendid co-operation from the boys and faculty advisers, Mr. Brittan and Mr. Anderson, this year's Union has accomplished something more toward the democratic way of life.

Girls' club

Every girl belongs to this organization and may join any of its branch clubs. Marlys Gobell, president; Miss Abby Gregory, sponsor; the cabinet and their advisers have all helped lead the crusade through an eventful year.

Gilbert and Sullivan's operetta, "The Gondoliers," was the club's biggest undertaking. The operetta, directed by Miss Ellen Smith, was the second the club has presented.

First on the social calendar was the Orientation Tea. The "Big Sister" party, at which unfortunate children were entertained, was another highlight. Not to be forgotten in the list of club activities were the style show, school mixer, and the Mother-Daughter tea.

As a fitting climax the girls gathered at Chester Bowl to bid farewell to the seniors in an impressive ceremony.

Parties, dances, programs and more

USHERS

Simplifying our auditorium is the ushers' task. The boys collect tickets while the girls, dressed in black, find seats. The ushers, who have as sponsors Miss Marjorie Riddle and Mr. Ray Mickolajak, serve at school programs and occasionally at outside performances. Their aim is to help in every way.

GIRLS' CLUB SOCIAL CHAIRMEN

Planning school parties, decorating for dances, and taking care of operetta tickets—all of these compose the activities of the Girls' Club social chairmen. Under the direction of Miss Doris Laine, the group was kept busy the whole year through. A chairman is elected from each homeroom.

Power club

Often referred to as the Pep Club, the Power Club has endeavored to be just that. Having as its goal the development of school spirit, the Power Club has carried this principle to realization in the Maroon and Gold Day and occasional pep assemblies.

After the remodeling of our gym, the Power Club initiated a new feature by holding pep assemblies there. These programs were highlighted by a D-Club Darling performance before the Hunter-Troy fray.

Through the helpful advising of Miss Dorothy Johnson, Joann Johnson, the president, with her many willing co-chairmen, found the goal attained.

Debate

Under the able coaching of Mr. Robert Skouge, who is new to Denfeld this year, the debate team has again experienced an outstanding season.

The "A" squad, consisting of Richard Whalen, Dave Wood, Jack Sommers, and Dave Fox, captured first place at the tri-state tournament at Moorhead and the Gustavus-Adolphus tournament. The squad also represented Denfeld well at the Eau Claire Invitational, the Northern Minnesota N. F. L. contest at Cloquet, the Carlton College meet, and the Region 7 tournament.

The "B" squad has shown great promise by the fine records they, too, have made.

Because all of the debaters will be back next fall, we have high hopes that next year's season will equal, if not excel, this year's fine record.

Speech

The Denfeld speech department, directed by Miss Callie Merritt, Miss Ethel McHugh, Mr. Joseph Dunn, and Mr. Robert Skouge, has once more concluded a successful season.

The speech students ably represented Denfeld at the Coleraine Invitational meet, the Region 7 clinic at Duluth Central, and the N. F. L. tournament at Cloquet. Several speakers also appeared before various clubs and over the radio in behalf of the Education Week Committee, the W. C. T. U., and the Red Cross.

Seven speech participants and the one-act play represented Denfeld in the regional tournament, after taking high honors at the district tournament held at our school on March 5. As a fitting conclusion to a fine season, David Wood received a superior rating in extemporaneous speaking at the State Torunament.

Helping to keep Denfeld and the community "in the know" about school activities is the work of the Criterion. The staff put out fourteen issues running on an average of a bi-weekly schedule.

The idea behind the "Cri" is not only to provide a newspaper for the school but also to give experience in journalism. Teaching this subject and also counseling the staff is the job of Miss Margaret Gatzweiler.

Handling the business end of things is a capable business staff with Mr. Clayton Shulstad as adviser.

To gain a knowledge of what other schools are doing the "Cri" is exchanged for other school publications. For the betterment of the paper the staff attended press conventions at Brainerd and Superior.

Cuts,—Bleeds,—!! What's this? Murder? No, only the Oracle staff making use of their newly acquired words.

Most of this year's staff started as green-horns, but through trial and error we've learned the angles of a yearbook.

Because we wanted the Oracle to be different this year, we tried to introduce some new features. The school picture on the end sheets, the first four pages in a different color, snapshots on the sophomore and junior pages, camera club page, and, most of all, more pictures throughout the book.

It is through the patience and helpfulness of our two advisers, Miss Belle Kaake and Mr. C. P. Shulstad, that you are now reading the 1949 Oracle.

A cappella

Under the direction of Mr. Edgar Felten, the Denfeld A Cappella choir has presented a full program of concerts this year.

After opening the season by appearing on the school Open House program, the choir sang Fred Waring's "Grandma's Thanksgiving" on the Thanksgiving assembly.

During the holiday season they presented the annual Christmas Concert and also appeared at the Scottish Rite, the Kiwanis Club, and before school assemblies.

After singing at West Junior and Lincoln schools, the choir finished a successful season by traveling to Grand Rapids. This is the second consecutive year the A Cappella Choir has toured to another city to present a concert before its high school.

SERVICE ORCHESTRA

Playing for Denfeld's dances is only one of the affairs of the Service Orchestra. Others include the Vodvil, Style Show and non-school dances.

Composed of both alumni and Denfeld students, the orchestra sponsored a dance with the senior class as a money-raising project.

ORCHESTRA

The big project for the Orchestra was playing for the operetta. Under the direction of Mr. Edgar Felten, they made their first appearance at the Christmas program.

"Fiddle Faddle" was played by the string ensemble at their assembly program. Small groups of the orchestra played at social functions throughout the year.

After finishing a successful season of nine straight victories, the Denfeld Hunters were proclaimed the Minnesota State High School Football Champions of 1949. The Minneapolis Tribune sponsored the competition, and teams were judged by the Litkenhous Ratings. As state champs Denfeld has had possession of the Litkenhous trophy for the year and will always have a small duplicate for the trophy case.

In the season's opener Denfeld traveled to Anoka, where they handed the Tornados a 20-0 shel-lacing. Victim two, a scrappy band from Morgan Park, was subdued 32-13. The Superior Central-Denfeld massacre, 26-6, took place on Gates field. Even Cloquet's Lumberjacks had no luck with the Hunters in a game that ended 33-0. Teamwork was the resulting factor in the team's win 13-7 over Cathedral.

When the Hutchinson Tigers visited the Zenith City, the Hunters were poor hosts, for they pushed the Tigers up and down the field to win 38-7. The following week the Aberdeen Eagles visited here. The game was evenly matched, but Denfeld's winning marker came in the third quarter when a linesman fell on the ball in Aberdeen's end zone.

A touchdown or a fall??

Coaches Krohn, Holm, Hunting, Mickolajak.

State champs—one and all.

Next came the game of the year in which the City and Twin Ports titles were at stake. Entering the game as underdogs, the Denfeld squad scored twenty-five points while holding its arch rivals, the Duluth Central Trojans, scoreless. Scoring two touchdowns before the half, the team came back on the field inspired to score three more times.

*As Ever,

Thirsting for another victory, the team traveled to Eau Claire for its final game to defeat the highly rated Old Abes 34-6. This made the team undefeated in nine games.

The foundation for the A squad, the B team, lies in the hands of Coaches Mickolajak and Holm. The boys are taught the fine points of football that will aid them the following year. This year the B team played four games, and even though losing two of them, they gained experience through playing.

With the returning of some lettermen and the adding of other players, next year's team, we know, will work to keep the Litkenhous trophy and to live up to the standards of the year's "State Champs."

Lots of Luck

Although having lost eleven out of fifteen lettermen, Denfeld's team, loaded with sophomore and junior talent, clinched second place in District 26 competition.

Denfeld, along with Central, represented District 26 in the Region 7 tournament, at Eveleth.

The Hunters couldn't quite adjust themselves to the indoor ice of the Hippodrome. In the first period Eveleth tallied eight times before Denfeld could score its initial marker. Although the second and third periods were played on even terms, the Hunters lost an 11-3 decision to the Golden Bears, who later won state honors.

Since only three boys on this year's team will be graduating, prospects for next year look favorable.

With impressive victories in their first three outings against pre-conference opposition, Denfeld's basketball squad showed poise and promise for the coming season.

In its first Little Big Ten conference game, Denfeld clipped a plucky Morgan Park five 46-39. That following Tuesday, Superior East snapped the Hunters' four-game victory string 40-30. Traveling to Proctor to play, the team was edged out 39-38

by the Rails, who staged an amazing comeback in the closing seconds.

Taking to the road again, the Hunters were dealt a 50-36 defeat by the Cloquet Lumberjacks. The boys were never disheartened, for they came back to take a 43-38 decision from the Cathedral Hilltoppers on the Armory floor. The following three games upset the Hunters' prestige a bit, for St. Croix Falls, Two Harbors, and Central gained victories over the stunned Hunters. Denfeld's never-say-die spirit still held on, and they came back with a 40-39 decision over the fast improving Morgan Park Wildcats.

We'll win tonight

Starting Five: Jack Carlson, Bob Johnson, Jim Nelson, Leon Mitchell, Reggie Anderson.

Again the next week, the Hunters gained revenge by nipping Proctor in a return game 44-41. Superior East was destined to beat the Hunters again but our team had different plans. While leading most of the game, the Denfeld whiz-kids held their own but all good things must come to an end, and the East sharpshooters pulled the game out of the fire. Aroused by this stunning and unbelievable defeat, the team whipped Cloquet and Two Harbors.

Although dropping another verdict to Central, the Hunters rallied to win 32-30 over their uptown rivals, Cathedral. Aitkin, a non-conference team, fell victim to the spirited Denfeld players 50-41, but Hibbing ruined Denfeld's before-tournament finale by a 50-36 decision. In the first round of the District 26 tournament, the team was knocked out by a strong Two Harbors quintet, who later went on to cop the district title.

Dribble, pass, shoot, score

It's no picnic.

The "Nelson" stretch.

Having such fine coaches as Mr. Lloyd Holm and Mr. Al Ness, and co-captains Leon Mitchell and Bob Johnson, our team for next year will have something to live up to. With only three players graduating, this team has had the experience it needs, and next year's season should be full of thrills and excitement.

B TEAM

While playing their hearts out for varsity berths next year, the "B" team ran up a string of eight wins against seven losses. Coach Al Ness substituted regularly to give the players that needed experience. He built around these sophomores a team that once ran up fifty points to the opponents' twenty-six. One of the most thrilling encounters was the Cloquet game, in which the Hunters broke a fourth quarter deadlock to nip the Lumberjacks 32-28.

CHEERLEADERS

The Denfeld Cheerleaders, one of the most lively and colorful groups in school, have played an important part in making this year a successful one in the field of athletics. Clad in their maroon and gold outfits, they have led the student body in school

songs and yells with clever, new formations and many original ideas. Their performances at pep assemblies and during all the games have given our teams the backing necessary to enable them to "fight on for Denfeld High."

Cross country

By defeating Grand Marais in their first scheduled meet, the Denfeld Harriers were off to a successful season. On October 8, however, Minneapolis Southwest handed the Hunters its only setback of the season.

Because of winning the Grand Rapids Invitational meet on October 23 for the second straight year, the harriers kept their possession of the golden trophy, a three-year award for permanent possession, given by the College of Agriculture.

On October 29, the squad wound up the most amazing and outstanding cross-country season in the record of the school by taking second place in the state meet at Lake Nakomis.

Much credit is due Mr. Johnson, the coach, co-captains Milton Caya and Jerry Leavitt, and all the boys who made this season so successful.

They won victories o'er their opponents

SKIING

Denfeld's ski team finished a whirlwind schedule this year that included the state and district meets, which were held at Chester Bowl. In the state meet the team pooled their efforts to annex third place in jumping.

SWIMMING

Growing in development and popularity by leaps and bounds, the swimming team is celebrating its third year in existence at Denfeld. This year's squad has shown a spark of Denfeld spirit that our athletic teams possess.

TUMBLING

Performing with great ease and skill, the tumblers have definitely established themselves a place in the minds of the students. Although the team has only three members, what it lacks in quantity it makes up for in quality.

Track

Boasting a track team last year that won the city-regional meet and losing the state title by only two points to Minneapolis North, the Denfeldites have made their track team known and admired throughout the entire state. With their undefeated 880-yard relay team, composed of Blomquist, Leavitt, Ciebia, and Daniels, they climaxed the year to win state honors. The high point man, and only double winner of the day, was Bobby Daniels, who placed first in the 100 and 220-yard dashes.

This year's squad is stepping along in the footsteps of last year's, for already they have broken five records and tied one in the three meets that they have participated in.

Coaches Sigurd Ode and Waldemar Johnson have led the team to new conquests.

Girls' Sports

Individual sports were acquired and mastered by the junior girls during the fall and winter seasons. With the coming of spring renewed outdoor activities again centered upon baseball and group sports. Throughout the year the sophomores plunged ahead by pursuing a general program which prepared them for the more specialized program in their junior year.

Music sublime at Christmas time

Gold, Frankincense and Myrrh.

Once again our music department presented to Denfeld and our community a glorious Christmas program.

The orchestra opened the Christmas pageant by playing a medley of carols. The A Cappella choir then sang Fred Waring's "Song of Christ-

mas" while the beautiful Christmas Story was narrated. The Girls' Ensemble sang, as shepherds, wise men, a host of angels, and the holy family re-enacted the birth of Christ.

"Peace on earth good will to men" was foremost in everyone's mind at the close of another Christmas program.

A Saviour which is Christ the Lord.

Ah, my Love.

much of their action

Mademoiselle, I offer you my heart.

Lively humor and picturesque costuming characterized this year's Junior Class play, a unique comedy by Moliere, presented on November 12.

While the main interest of this play was centered around a satire on the medical profession in France during the 17th century, a love affair between Angelique and Cleante complicated and enriched the plot. The audience was kept in constant laughter by the grumbling of Argan, with his numerous imaginary symptoms, and the clever antics of his clowning maid, Toinette.

A fine supporting cast and industrious, co-operative committees helped to make this hilarious comedy outstanding. The Junior Class presentation, "The Imaginary Invalid," will long be remembered by all who were privileged to see it.

Blackbirds been nibbling? Hmmm?

A success! Yes, the Sophomore Class play most certainly was a success.

On January 20, the class of '51' presented the hilarious comedy entitled "Meet Me in St. Louis."

It told of the Smith family and their joys and troubles. The plot centered around the fact that Mr. Smith is offered a job in New York. As the family do not want to leave their home, they do all in their power to change the offer.

Enchanted by the romantic troubles of the older daughters and amused by the solemnness of Grandpa and the mischief-making younger daughters, the appreciative audience had many laughs and much enjoyment.

They're no worse than any other children.

SENIOR CLASS PLAY

The forty-niners did it again, with the hilarious, exciting, romantic "Tish," by Alice Chadwicke.

The unpredictable Tish takes a tour around the southwestern part of the country in a used car, which she does not know how to drive. Traveling with her are Aggie, who is suffering from hay fever, and Lizzie, who puffs like a locomotive from an excess supply of flesh.

Tish succeeds in capturing a bandit and arranges for her nephew Charlie to marry Ellen, the inn owner.

With a wonderful supporting cast it proved to be an evening filled with fun and merriment.

Our hats are off to Mr. Joseph Dunn, director, for bringing to the Denfeld community three top class plays.

The "Gondoliers" was a performance grand

When you're far away across the sea, don't forget you've married me.

Continuing the newly-established custom, the Girls' Club presented its second operetta on February 25 and 26. Clever words and melodies indicated that this was a typical Gilbert and Sullivan masterpiece, its presentation rivaling last year's performance, Victor Herbert's "Sweethearts."

Colorful costumes, gay flowers, and a unique gondola furnished atmosphere to the story, climaxed by the revealing of the previously unidentified King of Barataria, to whom Casilda had been married by proxy when they were infants. To our surprise, the king was Luiz, Casilda's secret lover, and neither Marco nor Guiseppi, the gondoliers, as everyone believed.

Under Miss Ellen Smith's skillful direction, the Girls' Club has again presented an outstanding operetta.

Special assemblies

Highlighting this year's school programs have been a number of special assemblies. The Power Club has sponsored several of these, including the Maroon and Gold Day and Homecoming pep assemblies, and has also innovated the holding of pep meetings in the gym.

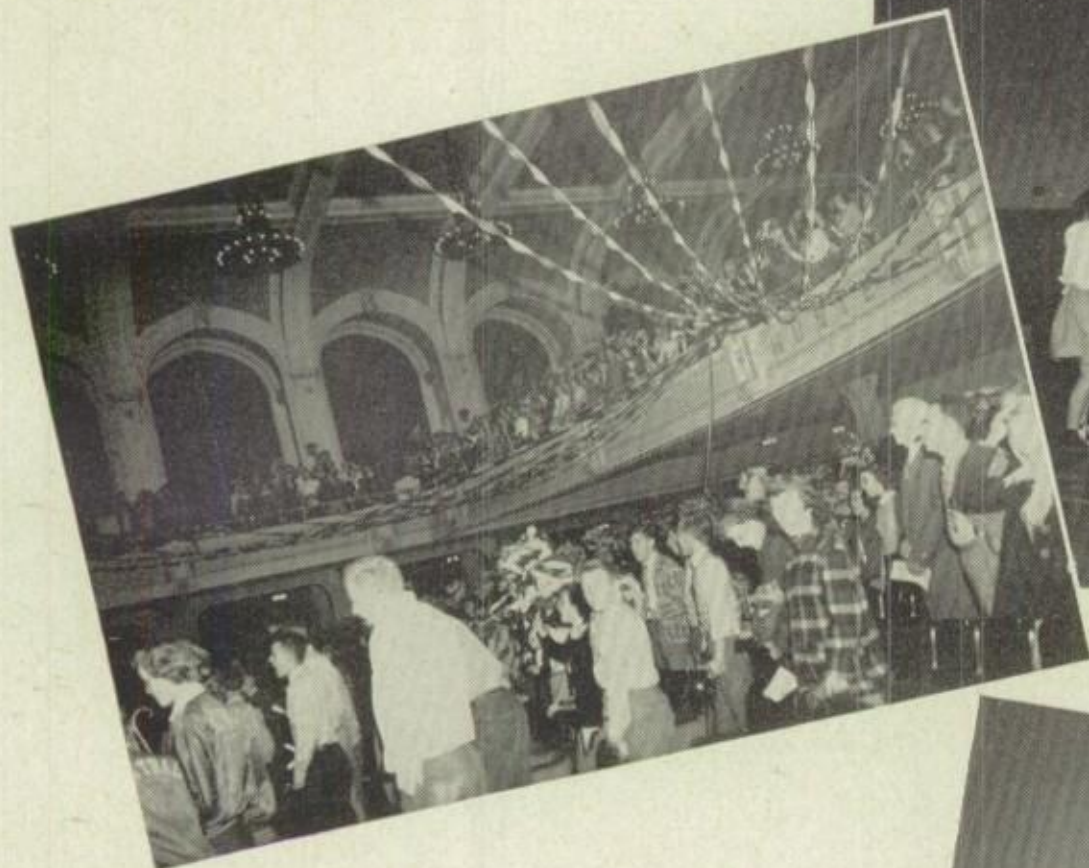

Among the most impressive assemblies of the year have been those celebrating Christmas, Thanksgiving, Easter, and Memorial Day. We have also been privileged to have outside talent, such as Draper and Adler, Dr. Posin, and Petrie's White Hussars, featured on our programs.

This well-rounded series of assemblies has added to the enjoyment as well as the education of Denfeld's students.

Our homecoming king · truly deserving

Following the Denfeld - St. Croix Falls game December 28, Charles Hren, the Hunters' all-state halfback was crowned king of Denfeld by last year's queen, Carol Parent.

Out of six candidates for king, Chuck was chosen by the student body for this honor and was presented a medal by Mr. Ode from the Power Club, sponsors of the festivities.

Through the efforts of the Power Club, the crowning is becoming a tradition.

Through knowledge gained are honors attained

The grey-robed seniors have filed into the auditorium to the stately but sad strains of "Pomp and Circumstance." Following them, to the tune of "Welcome, Sweet Springtime," came the honor court, the boys dressed in white trousers and dark coats, and the girls in dainty, pastel formals. But now the organ music changes to the traditional "Spring Song." Every eye is turned to the back of the auditorium; each breath is held as Joann Johnson, Denfeld's lovely queen, enters. In contrast to her dress of shimmering white satin, she is carrying a beautiful bouquet in her arms. To add to the impressive affair her Majesty is preceded by Carole Nichols, the maid of honor, and Connie Olson and Lois Mae Johnson, the attendants, while the little flower girl, Toni Chapados, strews rose petals before our queen's path, and Michael Dunn bears her royal crown. As the procession reaches the stage, Mr. Dell Daedo, our principal, crowns the queen. As she begins her reign, she is assisted by her pages, Adele Mirabelli and Lois Wenger, who help pin honor "D's" on the deserving students.
